

DEPARTMENT OF ENERGY AND ENVIRONMENTAL PROTECTION
JOB OPPORTUNITY
EP RADIATION CONTROL SPECIALIST

PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!

Open To: The Public
Location: Bureau of Air Management, Radiation Division, Hartford, CT
Position#: 100242
Type of Position: Full-Time (Permanent)
Annual Salary: \$47,762. (ES20-Step1)
Closing Date: 1/13/12

Eligibility Requirement:

State employees currently holding the above title or those have previously attained permanent status may apply for lateral transfer.

Description of Duties:

This position is responsible for independently performing specialized inspections where sources of ionizing and non-ionizing radiation are used to evaluate compliance with state and federal regulations. Examples include Mammography Quality Standards Act (MQSA) inspections, diagnostic x-ray machine inspections, and microwave machine inspections. Additionally, the position requires the assessment of radiation protection practices, commitment to maintaining technical knowledge, preparation of technical reports, and may assist Radiation Control Physicists in responding to incidents and accidents involving sources of ionizing and non-ionizing radiation.

Knowledge, Skills and Abilities:

A broad thorough knowledge of the physics of diagnostic x-ray machine operations, radiation detection, radiation instruments and radiation control methods, has demonstrated consistent commitment to maintaining technical knowledge, works well independently and contributes to team effort, as well as strong written and oral communication skills.

General Experience: Six (6) years' experience as an X-ray technician.

Special Experience: **Incumbents must possess and retain certification and registration by the ARRT (American Registry of Radiologic Technologist) as Registered Technologist or by the abbreviation R.T. (Registered Technician)**

Substitution Allowed: College training with a major in the physical sciences may be substituted for the General Experience on the basis of fifteen (15) semester hours equaling one-half (1/2) year of experience to a maximum of four (4) years for a Bachelor's degree. Graduation from an educational program accredited by a mechanism acceptable to ARRT for radiology may be substituted for the General Experience up to a maximum of two years.

Note: The filling of this position will be in accordance with reemployment, SEBAC, transfer, promotion and merit employment rules, if applicable.

Application Instructions: Interested and qualified candidates who meet the above requirements should submit a cover letter, a resume, and a CT-HR-12 Application for Employment to:
