

CONNECTICUT AIRPORT AUTHORITY

JOB OPPORTUNITY – Open to the Public

**Transportation Maintainer 1
Salary Grade TC-13**

The Connecticut Airport Authority has a Transportation Maintainer 1 vacancy at Groton-New London General Aviation Airports. This position is full time, 37.5 hours per week, and is open to the public. This position is 1st shift with work hours of Tuesday through Saturday, (will include weekends and holidays), 7:00 am. to 3:00 pm with ½ hour unpaid meal break. Schedule is subject to change, overtime is likely and required. Candidates must be able to pass a thorough criminal background check and a security examination in order to obtain an Airport Security Badge.

This position is accountable for performing a full range of basic tasks in the construction, maintenance and repair of CAA airports, roadside, roadways, airports and other departmental facilities; operates and maintains small and less complex mechanical equipment or acts as a helper or operator on larger and more complex equipment.

Minimum Qualifications Required:

Knowledge, Skills, and Abilities: Some knowledge of the physical; properties of standard highway or airport construction and maintenance materials; some knowledge of mechanical principles; interpersonal skills, oral and written communication skills; familiarity with the basic practices of the construction and maintenance trades; ability to use and make minor repairs to small tools and the simpler mechanical equipment; ability to operate equipment including but not limited to, Mowing equipment Class12 with or without attachments, Wood Chipper, Pavement Breakers, Grass trimmers/brush cutters, Snow Blowers, Portable pumping units, Chain Saws, Vibratory compaction equipment. Experience in operating trucks/equipment such as; ½, ¾, 1 ton pickups (2&4 wheel drive), 2 ton, 3 ton platform stakes, ¾, 1 ton trucks, various body styles, 9 ton dump truck, payloaders, specialized snow equipment (to be paid at appropriate level).

Duties:

Assisting employees of higher grades in more skilled operation, heavy custodial maintenance of buildings and grounds, finish grading on roadway or roadside projects, gas station attendants, mowing, hand seeding, helping on sanding and plowing, store-material handling, wildlife hazard control, radio monitoring and communication. Escort vendors, contractor, etc. in secure areas, (CAA owned airports), may function as a guard/watchman and will be required to receive training in and qualify to stand by and respond to aircraft fire/crash emergency situations; perform related duties as required.

Experience and Training:

General Experience: Any experience and training which would provide the knowledge skills and abilities listed above. Work experience operating large equipment preferred.

SPECIAL REQUIREMENTS:

1. Incumbents in this class will be required by the appointing authority to possess appropriate current licenses, permits and/or certifications. CDL required.
2. Incumbents in this class must be willing to accept assignment to emergency duties, including snow and ice removal and responding to aircraft emergencies (training provided), whenever services are needed.

PHYSICAL REQUIREMENT: Incumbents in this class must have adequate physical strength, stamina, physical agility and visual and auditory acuity and must maintain such physical fitness as to be able to perform the duties. A physical examination will be required including an annual firefighter physical.

CHARACTER REQUIREMENT: Individuals serving in this position must be able to successfully undergo a thorough background and security screening, including pre-employment drug screening, fingerprinting and maintain required security clearance during the duration of employment. In addition to the checking of references and of facts stated in the application of each candidate may be made before persons are certified for permanent appointment.

WORKING CONDITIONS:

1. Incumbents in this class are exposed to extremes of weather conditions, to frequent lifting of heavy weights, to highly dangerous road and traffic and airport conditions, including exposure to heights, to poison ivy, insect bites, and allergy irritants during the summer months, and to loud noises and potentially dangerous machinery.
2. Incumbents will be required to use protective equipment such as respirators, Self-contained Breathing Apparatus (SCBA), Aircraft Rescue Fire Fighting gear and safety goggles.

Application Instructions:

Interested and qualified candidates who meet the above requirements should submit a CAA Employment Application located on this page: <http://www.ctairports.org/ContactUs>, a letter of interest and a resume to the address below. **State of Connecticut employees** should also submit the previous 2 service ratings and previous 12 months' attendance history.
