Open To: The Public

Location: Albert J. Solnit Children's Center, South Campus, Middletown, CT

Job Posting No: VB44544S

Hours: Monday - Friday 1st shift with one evening shift

Salary: \$40.02 - \$54.42 hourly

Closing Date: 12/26/2014

Example of Duties:

The Department of Children and Families has a vacancy for a Psychologist (Clinical) at the Albert J. Solnit Children's Center, South Campus in Middletown, CT. This is a part-time (34 hours per week) position on the Sachem/Passaic Units with primary coverage on the Passaic Unit. This position may be underfilled at the level of Postdoctoral Fellow - Psychology Department (Clinical). Responsibilities include but are not limited to working as part of a multi-disciplinary team and are accountable for skilled clinical care and psychological testing of youth with complex behavioral health needs. Preferred candidates will have experience providing psychological assessment and clinical treatment services to children, adolescents, and/or transition-age youth with complex psychiatric profiles (i.e., multiple diagnoses and multi-system involvement) and to their families. In addition, preferred candidates will have experience providing case management services in collaboration with community systems of care, implementing evidence-based practice, and working as part of a multidisciplinary clinical team.

Knowledge, Skills and Abilities: Considerable knowledge of abnormal and clinical psychology; considerable knowledge and skill in selection, administration, scoring, and evaluation of intelligence, achievement, personality, and diagnostic tests; considerable knowledge of psychological research methodology including experimental design, data analysis, and application of findings, knowledge of other psychological disciplines; considerable interpersonal skills; considerable oral and written communication skills; considerable ability to make clinical diagnosis and prognosis and develop treatment plans; considerable ability to conduct psychotherapy; considerable ability to write case histories, discharge summaries, and professional reports; ability to coordinate clinical services with comprehensive and multidisciplinary treatment teams.

General Experience: A doctorate degree in clinical psychology and one (1) year post doctoral experience as a psychologist working under the supervision of a licensed psychologist is required.

Special Requirement: Incumbents in this class must possess and retain a license to practice psychologist in Connecticut.

Working Conditions: Incumbents in this class may be required to lift and restrain patients/clients, may have some exposure to communicable/infectious diseases and to risk of injury from assaultive/abusive patients/clients; may be exposed to disagreeable conditions.

Note: The filling of this position will be in accordance with reemployment, SEBAC, transfer, promotion and merit employment rules, if applicable.

Application Instructions: Current DCF employees having permanent status in this classification must submit an 1199 Lateral Transfer Request form. All others must submit a CT-HR-12 (State application), resume, letter of intent, three (3) letters of supervisory reference, original transcripts and a copy of any license or certification required to the address indicated; state employees must submit their two most recent performance appraisals in lieu of references. Please specify the posting number on all application materials. Incomplete application packets will not be considered. The filling of this position shall be in keeping with established reemployment, transfer, promotion, and SEBAC employment obligations.
