This is a revised posting and only reflects a change in the closing date. Applicants who have previously applied for this posting do not have to reapply.

There are two opportunities currently available for the position of Transportation Engineer 3 (Engineering) in the Office of Rail, Bureau of Public Transportation. Candidates must have passed the Transportation Engineer 3 (Engineering) exam and be on a current certification list promulgated by the Department of Administrative Services. Employees, who currently hold this title or those who have previously attained permanent status in this title since their most recent hire date, may apply for lateral transfer.

Preferred: Degree in Civil Engineering or Structural Engineering

Knowledge, Skills and Abilities: Considerable knowledge of operational methodologies and established policies; considerable analytical, problem solving and technical report development skills; considerable interpersonal skills; considerable oral and written communication skills; considerable ability to interpret and apply principles of information systems and technologies; ability to analyze plans and estimates; some supervisory ability.

Considerable knowledge of principles and practices involved in transportation engineering such as bridge design, foundations, highway design, transportation facilities design, transportation planning, maintenance, drainage or hydraulics, research, pavement design, pavement management and traffic; knowledge of administrative and financial controls with respect to transportation engineering plans, contracts, projects and reports.

Experience and Training: Bachelor's degree in Engineering and three years of experience in transportation engineering.

Special Experience: One (1) year of the General Experience must have been at the working level in a professional transportation engineering capacity. For state employees this is interpreted at the level of Transportation Engineer 2 (ENGINEERING).

Special Requirements: 1. Incumbents in this class may be required to possess and retain a valid Motor Vehicle Operator's license. 2. Incumbents may be required to travel.

WORKING CONDITIONS:

Incumbents in this class may be exposed to some danger of injury or physical harm from highway or construction environments and a moderate degree of discomfort from exposure to year round weather conditions.

Note: Interviews may be limited to candidates whose experience and training most closely meet the requirements of these positions. The results of these interviews may be used to fill future Transportation Engineer 3 (E) vacancies that occur in the Bureau of Public Transportation in the next twelve (12) months.

Application Instructions: Submit a cover letter which states your interest and suitability for these positions, resume, and [application \(State of Connecticut Application for Examination or Employment Form CT-HR-12\)](#). Current State of Connecticut employees must also include copies of their last two performance appraisals received. Send to:
