

**DEPARTMENT OF TRANSPORTATION
JOB OPPORTUNITY
Transportation Engineer 3 (CE)
Bureau of Engineering and Construction**

PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!

Open To: Candidates on Current Examination List or Lateral Transfer
Location: District 2 Headquarters, 171 Salem Turnpike, Norwich, CT
Job Posting No: PN#101451
Hours: Full time, 40 hours per week
Bargaining Unit: P-4 (Engineering and Scientific)
Salary: Salary Grade FS27a –\$81,531-\$116,893 annually
Closing Date: **May 6, 2016**

Eligibility Requirement: The Connecticut Department of Transportation currently has a Transportation Engineer 3 (Construction Engineering) or (CE) position opportunity available in the Bureau of Engineering and Construction, in District 2 (Norwich). In order to be considered for this position, candidates must have applied for and passed the Transportation Engineer 3 exam and be on the current certification list promulgated by the Department of Administrative Service for his classification or current employees who have attained permanent status in this class may apply for lateral transfer. **Applicants will not have the opportunity to take the exam prior to the above closing date to qualify for this particular vacancy.**

Duties: This position oversees a group of engineers and personnel of lower grade in construction of highways or other transportation projects; acts as an liaison with consulting engineers; trains in-house and consultant inspectors; reviews construction final cost estimates and verifies final payments; serves as technical advisor for construction projects; develops and maintains cost data relative to design construction and maintenance of highways and bridges; prepares comprehensive reports; develops and maintains standards and specifications for highways and bridges consistent with technological advances in design, construction and maintenance; performs relative duties as required.

Knowledge, Skills and Abilities: Considerable knowledge of construction engineering principles and practices involved in transportation construction, surveys, geodetic surveys and materials testing; knowledge of highway construction methods and materials; knowledge of administrative and financial controls with respect to transportation construction engineering plans, contracts, projects and reports; considerable oral and written communication skills.

Note: The filling of these positions will be in accordance with reemployment, SEBAC, transfer, promotion and merit employment rules, if applicable.

Application Instructions: Interested and qualified candidates who meet the above requirements should submit a cover letter and an application (State of Connecticut Application for Examination or Employment Form CT-HR-12). State employees must also submit copies of their last two service ratings. Send all to:

**DEPARTMENT OF TRANSPORTATION
Attn: Sharon Waters
Bureau of Engineering and Construction
171 Salem Turnpike
Norwich, CT 06360**

Applications must be received by 4:00 p.m. on **Wednesday, May 6, 2016** and will not be considered complete without all required documents and information.

Candidates may refer to the DAS website at <http://das.ct.gov/HRJobSpecNew/JobDetail.asp?FCC=6449> for job specifications. **The results of this interview process may be used to fill future Transportation Engineer 3 (CE) positions that become available at the District 2 Norwich, CT location for a period not to exceed one (1) year from the closing date of this posting.**
