**DEPARTMENT OF TRANSPORTATION
JOB OPPORTUNITY
Transportation Materials Technician 2
Bureau of Engineering and Construction**

[PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!](#)

Open To: Candidates on examination list and lateral transfer candidates.
Location: Rocky Hill, CT
Job Posting No: 30595
Hours: Full time, 40 hours per week
Salary: Salary Grade FS-18 – Step 1 - \$54,091 annually
Closing Date: October 31, 2016, 4:00 pm

There are currently several Transportation Materials Technician 2 position opportunities at the Division of Materials Testing (DMT) in the Central Laboratory at 280 West Street, Rocky Hill, CT. This interview process may be used to fill any other vacancies in this classification that occur at the DMT within the next (12) twelve months. Therefore, candidates interested in working at any of the DMT locations in Rocky Hill, Colchester, New Haven and Thomaston, are encouraged to apply to this posting.

Position Description: Reviews requests for and performs physical tests and analyses of materials used in the construction and maintenance of transportation infrastructure such as: asphalts, Portland cement concrete, structural steel, bituminous mixtures, fine and coarse aggregates, cement, grouts, and soils. Inspects facilities, equipment, and final products of sources of supply such as quarries, steel fabrication plants, bituminous and ready mix concrete plants, and pipe and precast/prestressed concrete plants; assists in the calibration and maintenance of testing machines and laboratory apparatus and equipment; assist in the determination of whether materials conform with State, Federal, and project specifications; reviews shop drawings; performs calculations and maintains records of observations and test results; assists in researching new materials or modifications of old materials; discusses trends in testing results with supervisors, assists implementing new and/or improved testing procedures; prepares reports and graphs of completed tests; visits project offices and assists in completing requests for tests and sample collection; transports requests for tests and samples/documentation to District Laboratories and the Central Laboratory in Rocky Hill; performs related duties as required.

Eligibility Requirement: Candidates must have passed the Transportation Materials Technician 2 examination and be on a current examination list promulgated by the Department of Administrative Services for this title. State employees currently holding this title or those who have attained permanent status since their last date of hire may apply for lateral transfer.

Application Instructions: Submit a cover letter which states your interest and suitability for the position, resume and [application \(State of CT form CT-HR-12\)](#). State employees must also include copies of last two service ratings received. Send to:

**DEPARTMENT OF TRANSPORTATION
