

**DEPARTMENT OF TRANSPORTATION  
JOB OPPORTUNITY  
TRANSPORTATION ENGINEER 2 (Construction Engineering)  
DISTRICT ONE CONSTRUCTION / RIGHT OF WAY SURVEY UNIT**

**PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!**

**Open To:** Candidates on exam list or lateral transfer  
**Location:** Department of 1107 Cromwell Avenue, Rocky Hill, CT  
**Hours:** Full time, 40 hours per week  
**Salary:** Minimum: Trans. Engineer 1 (CE) - \$64,605 annually; Trans. Engineer 2 (CE) - \$70, 422 annually  
**Closing Date:** 4:00 pm, March 21, 2014  
**General Knowledge:**

**Position Description:**

The Bureau of Engineering and Construction anticipates a Transportation Engineer 2 (Construction Engineering) or "CE" position opportunity in the Construction / Right of Way Unit in the Survey Section, District 1 Office, Rocky Hill, CT. This position may be filled by lateral transfer, promotion, or underfilled at the Transportation Engineer 1 (CE) or Transportation Engineer Trainee level. If transferred at the Transportation Engineer 1 (CE) or Transportation Engineer Trainee level, the incumbent will be promoted to Transportation Engineer 2 (CE), in accordance with the class specification. This position is in the P-4 Bargaining Unit.

**Duties include:**

Supporting the needs of the District Construction unit, including survey stake-out, verifying quantities for payments, developing necessary coordinate geometry for layout of construction plans, supporting claims against the District, monumenting and mapping of the State highway right of ways, as well as providing boundary surveying services to the offices of construction, maintenance and the public. May oversee several survey parties and prepare highly complex three-dimensional (3-D) elevation models / digital terrain models; performs related duties as required.

**Eligibility Requirement:**

In order to be considered for this opportunity, candidates must meet the minimum qualifications for the Transportation Engineer Trainee classification stated on the job specification. Transportation Engineer 1 (Construction Engineering) and Transportation Engineer 2 (Construction Engineering) candidates must be on the current certification list promulgated by the Department of Administrative Services as of the closing date of this posting. DOT employees currently holding one of the above classifications may apply for lateral transfer. Eligible applicants who are interested in this opportunity must apply to this posting in order to be considered.

**NOTE:** The filling of this position will be in accordance with reemployment, SEBAC, transfer, promotion and merit employment rules, if applicable. Applicants who do not submit all the requested documents will not be considered. Interviews may be limited to current candidates whose experience and training most closely meet the requirements of this position. In addition, the candidate pool resulting from these interviews may be used to fill future Transportation Engineer 2 (CE) positions that may become available in the District One Survey Unit within the next six (6) months from the closing date.

**Application Instructions:**

Interested and qualified candidates who meet the eligibility requirements must submit a completed resume, copies of their last two service ratings and an Application for Employment (CT-HR-12), **no later than 4:00 p.m., March 21, 2014** to:

Department of Transportation  
Sophie Matecki  
District 1 Survey and Plans  
1107 Cromwell Avenue  
Rocky Hill, CT 06067
