

DEPARTMENT OF MOTOR VEHICLES
JOB OPPORTUNITIES
INFORMATION TECHNOLOGY ANALYST 2
INFORMATION TECHNOLOGY DIVISION

PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!

Open To: Candidates on current exam list

Location: Wethersfield

Job Posting No: 7621

Hours: Monday – Friday, 40 Hours

Salary: \$78,381 - \$99,338 (salary range is based on a 40 hour work week)

Closing Date: May 7, 2013

Eligibility Requirement:

Candidates must be employed with the State of Connecticut at the level of Information Technology Analyst 2, or be on a current Information Technology Analyst 2 exam list.

The Connecticut Department of Motor Vehicles is currently seeking qualified applicants to fill full-time Information Technology Analyst 2 positions located in the Information Technology Division in Wethersfield. Candidates will be accountable for independently performing a full range of information technology tasks and project coordination work involving application development and systems support in an IT environment. The work schedule will be Monday – Friday. As the DMV anticipates filling more than one position, **we do not expect candidates to possess all of the below skills, though more is better. Candidates must clearly identify their areas of expertise on the Application for Employment, CT- HR-12.**

Required Knowledge, Skills, and Abilities:

- Experience with large scale enterprise applications deployed using .NET.
- The ability to communicate effectively and collaborate with management, business customers and co-workers.

Application development using .NET:

- Participated in application development projects through the lifecycles of application development, testing and deployment. Hands on and in depth technical skills with the following languages and tools: C#, ADO, SQL languages accessing MS SQL Server, Visual Studio, XML, XSD, XSLT, XPATH, application/program testing.

Web application development using .NET:

- Participated in full lifecycle development projects that provide web-based applications using the .NET framework. Hands on and in depth technical skills with the following languages and tools: AJAX, ASP.NET, HTML/CSS, Web Services/SOAP, IIS configuration/deployment, T-SQL, JavaScript, XML, XSD, XSLT, XPATH, SAML.

Preferred Skills:

- Object oriented application design experience - including object modeling and design patterns.
- Working knowledge of WCF, LINQ and Entity Framework
- ASP.NET MVC 3.0/4.0
- Experience with Unit testing tool like NUnit, MS UNIT
- Experience with large scale enterprise applications deployed using .NET, as well as SQL Server 2008, SQL Reporting Services, Microsoft Visual Studio and Report Builder.

Application Instructions:

To apply for this position, send a cover letter, and completed job application form ([CT-HR-12](#)) indicating IT Analyst 2, in the examination Title Block to: The Department of Motor Vehicles, Human Resources Division, 60 State Street, Room 235, Wethersfield, CT 06161. In order to be considered for this position you must: Be employed by the State of Connecticut at the level of Information Technology Analyst 2, **OR** be on a current examination certification list with CT DAS for Information Technology Analyst 2.

The CT-HR-12 application can be downloaded from the Internet at [http://das.ct.gov/HR/Forms/CT-HR-12 Application.pdf](http://das.ct.gov/HR/Forms/CT-HR-12Application.pdf)

Please note: Due to the large number of expected applicants, we cannot confirm receipt of application materials. Incomplete or late application packages will not be considered.
