In order to be considered for this vacancy, candidates must possess the minimum qualification required including the general/special experience listed below. You must specify your qualifications in your Application for Employment - CT-HR-12.

In the Office of Healthcare Advocate, State Innovation Model (SIM) unit, this class is accountable for assisting in the research, development, implementation of statewide health care reform initiatives to improve population health, healthcare delivery and affordability by reducing healthcare costs. The primary focus is for the selected candidate to serve as a lead in Quality Measure Alignment.

Knowledge, Skills and Abilities: Considerable knowledge of local, state and federal laws and regulations pertaining to the healthcare industry, healthcare delivery, healthcare policy and reform, and insurance; knowledge of healthcare delivery and payment reform and practice transformation, knowledge of clinical and community integration; knowledge of legislative policy process; knowledge of planning, program and, project management principles; knowledge of process improvement or re-engineering to include measurement, analysis, improvement and control; considerable oral and written communication skills; ability to lead working groups to achieve goals; ability to plan and implement on time and within budget; ability to utilize computer software; some supervisory ability.

General Experience: Seven (7) years of professional experience in a healthcare program, health services agency or other health care organization to include program and or project administration.

Special Experience: One (1) year of the General Experience must have been performing formal program planning, development and evaluation.

Substitution Allowed: 1. College training may be substituted for the General Experience on the basis of fifteen (15) semester hours equals six (6) months of experience to a maximum of four (4) years for a Bachelor's Degree. 2. A Master's degree in healthcare management, health policy and management or other closely related field may be substituted for one (1) additional year of the General Experience.

Note: The filling of this position will be in accordance with reemployment, SEBAC, transfer, promotion and merit employment rules, if applicable.
