DEPARTMENT OF TRANSPORTATION JOB OPPORTUNITY TRANSPORTATION ENGINEER 3 (CE)

PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!

REVISED

Open To: Candidates on exam list or lateral transfer.
Location: 4 Brewery Street, 4th Floor, New Haven
Job Posting No: 28845
Hours: 40 hours/week, Monday – Friday (8:00 am to 4:30 pm)
Salary: FS-27a: \$81,531 to \$116,893 annual
Closing Date: **January 20, 2017**

Please note that this is a revised posting; applicants who have submitted their documents for the prior posting with a closing date of November 21, 2016, do not need to reapply.

ELIGIBILITY REQUIREMENT: Candidates must have applied for and passed the Transportation Engineer 3 (CE) exam and be on the current certification list promulgated by the Department of Administrative Services for this classification. State employees currently holding the above title or those who have previously attained permanent status may apply for lateral transfer. **Applicants will not have the opportunity to take the exam prior to the above closing date to qualify for this particular vacancy.**

KNOWLEDGE, SKILL AND ABILITY: Considerable knowledge of operational methodologies and established policies; considerable analytical, problem solving and technical report development skills; considerable interpersonal skills; considerable oral and written communication skills; considerable ability to interpret and apply principles of information systems and technologies; ability to analyze plans and estimates; some supervisory ability. Considerable knowledge of principles and practices involved in transportation construction engineering such as construction, surveys, geodetic surveys and materials testing; considerable knowledge of highway construction methods and materials; knowledge of administrative and financial controls with respect to transportation construction engineering plans, contracts, projects and reports.

PREFERRED KNOWLEDGE: Considerable knowledge of rail infrastructure construction, rehabilitation of railroad bridges, track structure, and maintenance for rail facilities.

JOB DUTIES WILL INCLUDE: Acts as a liaison with the Department of Transportation operating units, Metro-North Railroad, other outside agencies and government officials, and consulting engineers; oversees administration of federal funding grants for construction phase; recommends rail infrastructure improvement policies; analyzes and recommends agreements with Metro-North Railroad and Amtrak; makes recommendations on matters of track usage on construction projects; provides project management and oversight in accordance with Federal Transit Administration requirements.

EXPERIENCE AND TRAINING:

General Experience: A Bachelor's degree in Engineering or Construction Management and three (3) years of experience in transportation construction engineering.

Special Experience: One (1) year of the General Experience must have been at the working level in a professional transportation construction engineering capacity. For state employees this is interpreted at the level of Transportation Engineer 2 (CONSTRUCTION ENGINEERING).

Substitutions Allowed:

1. Possession of Land Surveyor (LS) licensure or Professional Engineer (PE) licensure from the Department of Consumer Protection State Board of Examiners for Professional Engineers and Land Surveyors consistent with C.G.S. §20-302 may be substituted for the Bachelor's degree requirement.
2. Possession of Land Surveyor-In-Training (LSIT) licensure or Engineer-In-Training (EIT) licensure from the Department of Consumer Protection State Board of Examiners for Professional Engineers and Land Surveyors consistent with C.G.S. §20-302 may be substituted for the Bachelor's degree requirement.
3. Possession of at least Level III certification in the Civil Engineering Technology-Transportation Program, Highway Construction Inspection or Highway Surveys from the National Institute for Certification in Engineering Technologies (NICET) may be substituted for the Bachelor's degree requirement.
4. A Master's degree in engineering may be substituted for one (1) year of the General Experience.
5. Current incumbents in the class of Transportation Engineer 2 (CONSTRUCTION ENGINEERING) who do not possess the degree or certification/licensure qualifications as detailed on this class specification may be considered for promotion to Transportation Engineer 3 (CONSTRUCTION ENGINEERING) upon having three (3) years' experience in transportation construction engineering. One (1) of the three (3) years must have been as a Transportation Engineer 2 (CONSTRUCTION ENGINEERING).

Note: The filling of this position will be in accordance with reemployment, SEBAC, transfer, promotion and merit employment rules, if applicable. The candidate pool resulting from these interviews may be used to fill future Transportation Engineer 3 (CE) positions in the Rail Unit, Bureau of Public Transportation Bureau within twelve months.

Application Instructions: Interested and qualified candidates who meet the above requirements should complete and submit a cover letter, resume, and application for Employment ([CT-HR-12](#)) by January 20, 2017. State employees must also include copies of their last two (2) service ratings. Applications will not be considered without all the required documents. Send documents by email or mail (faxes will not be accepted) to:
