New Process for Surplus Vehicle Auctions

The DAS vehicle surplus program has recently made some changes to the process of purchasing surplus state vehicles.

DAS vehicle vendor PropertyRoom.com will no longer be using CoPart.com as a subcontractor and has entered into a subcontract agreement with Corona's Auto Parts & Towing of Wethersfield, CT.

The change to Corona should prove to be a much better fit for all parties, particularly to our buyers (state agencies, municipalities and the general public) by providing reduced fees and enhanced ability to view vehicles prior to bidding.

[This link](#) will explain the process for agencies to send vehicles to auction as well as how to purchase a vehicle.

14PSX0044 - Strategic Business Consulting and Facilitating for Lean Government Methodologies and Services

The LEAN Government Initiative is designed to achieve both short-term and long-term process improvements within state agencies and to foster a culture of continuous improvement within state government. This initiative will engage agencies in undertaking LEAN approaches to successfully implement strategies that redefine the manner in which state agencies operate.

This is a five year contract and is open to all using state agencies and political sub divisions.
