## ***Bid Waiver Application Instructions***

Back in 2011, the DAS Procurement Division announced procedures for agencies to utilize when requesting a waiver of the bid process through Core-CT (Standardization Transactions).

A link to the requirements surrounding such waivers can be found in the State Procurement Contracting Manual on the DAS State Procurement Marketplace website at: <http://das.ct.gov/images/1090/Waiver%20of%20the%20Competitive%20Solicitation%20Process%20Nov%202012.pdf>.

When submitting such requests through Core-CT for review, agencies should be creating these requisitions in the Core-CT eProcurement module.

These transactions will go through the normal eProcurement approval process. The navigation process in Core-CT is as follows:

Navigation: eProcurement > Create Requisition > Define Requisition

When creating a Standardization Transaction users should:

- Choose the DAS-BID value on the Core-10 drop down,
- Check the Standard Trans. check box on the Core-10 Attributes page and
- Include the acronym "STX" at the beginning of the description" on the first line of the DAS-BID.

Detailed eProcurement Job Aids, covering Standardization Transactions valued at < \$50,000 and > \$50,000 are available on the Core-CT website at: <http://www.core-ct.state.ct.us/financials/eProc/Default.htm>

If questions arise, do not hesitate to contact any of the DAS Procurement Team Leaders at 860-713-5095.

## DAS Procurement has a Federal Surplus webpage

The DAS Federal Surplus Property Program is responsible for the administration and distribution of donated federal surplus property (excluding real estate) to certain eligible organizations.

The acquisition and use of federal surplus property saves customers time and money. Recipients are only obligated to pay an administrative fee to DAS for the transfer of the property.

For more information on the Federal Surplus Property program, visit the website [das.ct.gov/FedSurplus](http://das.ct.gov/FedSurplus)

## Find Us on FaceBook

Keeping up with technical trends is the way to go to maximize the distribution of information and show customers that you're in touch with 21st century technology.

In that effort, DAS Procurement Bids and RFP's can now be found on Facebook. Search "DASProcurement" (one word) on Facebook and stay informed.
